Parents and Community:

Education services are to still be delivered during the Stay at Home Order from the Governor. We will be following the State Board of Education guidance on closure until April 20th. GFSD will be handing out breakfast and lunch on a grab and go basis on April 1st, 2nd, 7th, 8th, 13th, and 14th from the foyer at the main entrance to the school building from 9:00am-12:30pm.

Student work that was delivered/handed out previously is to be turned in on April 13th and 14th at the foyer as well. At this time, students and parents will also pick up the next weeks' worth of work from teachers in the foyer. This will be from 8:30am-3:00pm each day on the 13th and 14th.

Teachers will be available through phone and email on April 1, 2, 7, 8, 13, & 14 for assistance if needed. Some teachers are planning to hold zoom meetings to be available via the internet in order to assist students and parents as well. Feel free to ask for guidance on work when needed!

Stay safe everybody

Sincerely,

Cody Fisher
